---

## **WHAT THIS MEANS FOR INVESTORS**

---

### **LEAN STARTUP EXECUTION**

Chad Dozier demonstrated exceptional capital efficiency by building a 1M + platform for under 2,500 in 22 days.

### **TECHNICAL CAPABILITY**

The founder can iterate rapidly without burning cash on expensive development teams.

### **SPEED TO MARKET**

While competitors are still fundraising, ATHLYNX is already live and acquiring users.

### **CAPITAL EFFICIENCY**

Investment dollars go to growth & marketing, not basic development.
